

Burton & Winkton Parish Council

Community Grant Policy

Adopted July 2025

The parish council's policy on Community Grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver local projects to the residents of Burton & Winkton. Community grants come from taxpayer funds, so it is a core principle of this facility that grant expenditure is open and transparent. In general, the following principles apply:

1. Funding will be given on a need basis assessed alongside the merit of the project and overall benefit to the local community.
2. Applicants must clearly show how any assistance given will directly benefit the people living in the parish or the environment of Burton & Winkton and how the size of the grant applied for will be commensurate to the size of the benefit evidenced.
3. Funding will normally only be awarded up to a maximum value of £1,000 depending on the Council's budget allocation and may be subject to constraint.
4. All funding given will be subject to monitoring and evaluation of the outcome of the grant.
5. Organisations should not make a presumption that funding will continue on a year-to-year basis.
